# St Gabriel's C of E Primary School Uniform

It is our policy that children wear school uniform when attending our school. Our uniform is designed to be smart, practical and aspirational. We have ensured that the uniform, in the main, is widely available at retailers such as supermarkets so as to avoid unnecessary expense. We believe passionately in building a real sense of community across the school. A strong community can be recognised by the way children and staff treat each other with respect and kindness, but it can also be shown in the way we look, most visibly in the uniform we proudly wear.

## Where Our Uniform Can Be Purchased

The jumpers and cardigans are widely available. If these are purchased without a logo they will need to be taken to Stitch2Print to have a logo applied.
