Behaviour Protocol

All clubs recognise the importance of positive and effective behaviour management strategies in promoting children's welfare and enjoyment. Whilst attending our clubs the children will be expected to behave in the same manner as during the rest of the school day, ie, in accordance with the schools Behaviour Policy.

- In addition, staff and children will work together to establish a clear set of "ground rules" governing behaviour in After School club. These rules will be periodically reviewed so that new children have a say in how the rules of the club operate.
- In the event of negative behaviour occurring, staff will explain to the child why their behaviour is unacceptable and the consequences of any further such incidents.
- Wherever possible, staff will also try and discuss concerns with parents at the earliest possible opportunity.
- Persistent unacceptable behaviour from a child may result in the parents being requested to withdraw their child from the club
- The clubs will adhere to all school policies

Uncollected Children

Children need to be collected by the finishing time of 5.45pm. An addition charge of £5.00 will be added to your Parentpay account if you are late after this time. If a child is uncollected staff will use the contact names and numbers provided by the parent/carer. If a Parent/Carer is aware of a reason why collection may be delayed they can contact the school **after school club mobile on 07934 220175**.

If all means of contact are exhausted and a child remains uncollected, in order to safeguard the child, we will contact our Designated Safeguarding Lead (DSL) for advice.

Parent/Carer's who are persistently late collecting their child could result in their child being withdrawn from the club.

**NB – Any children attending school who have not been picked up at the end of the normal school day will automatically be put into After School Club at 3.30pm.
An automatic charge of £9.00 will be added to your Parentpay account if this happens.**
